

**Vintage:** 2010

**Varietal:** Sauvignon Blanc

**Vineyard:** Hummingbird Hill Vineyard

**Appellation:** Sonoma Coast

**Alcohol:** 12.80%

**Tasting Notes:** The Hummingbird Hill Vineyard is planted with two Sauvignon Blanc clones, the Musque clone which is highly regarded for its floral character and Clone 1 which adds to the wines complexity with hints of minerality and tropical fruits. This alluring Sauvignon Blanc is bursting with the aromas of Meyer lemon, key lime and mango. The finish is long and full with hits of white peach and passion fruit.
